1. Foreword

Article 2, para. 2.2 w) of the Rules Governing the Forward Account Registration Platform (hereafter “PCE Rules”) provides that “market time interval” shall mean the period of time to which transactions and bids/offers on forward accounts (CET bids/offers) shall refer, as established in the Technical Rules.

2. Market time interval

The market time interval to which transactions registered onto the PCE refer is the hour.

The market time interval to which CET bids/offers refer is the same as that indicated in the Integrated Text of the Electricity Market Rules (ME Rules) for trades concluded in the MGP.
